SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Pursuant to 37 CFR 1.98(a)(3)(i), Applicant provides the following statements regarding cited documents that are not in English.

Japanese Publication No. 06-286957 relates to detecting deterioration of a main rope using electrical resistance and effective sectional area information.

Respectfully submitted,
CARLSON, GASKEY & OLDS
